COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

To The Members, PEC Limited

We have examined the compliance of condition of Corporate Governance by PEC Limited ("the Corporation") for the year ended on 31st March, 2024 as stipulated Guidelines on Corporate Governance for Central Public sector enterprises.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Corporation for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the guidelines of Corporate Governance for central public sector enterprises except that-

- 1. Delay in Filling Form DIR-12 for cessation of Shri Atul Taneja w.e.f. 22.01.2024 but the form filed on 07.03.2024.
- 2. Presently there is **No Independent Director** in the Company as per the requirement of Section 149(4) of The Companies Act, 2013 read with Rule 4 of The Companies (Appointment and Qualifications of Directors) Rules, 2014 and **No Meeting of Independent Directors held during the year** as per Secretarial Standard **(SS-1)** issued by Institute of Company Secretaries of India (ICSI). The same has been informed to the Ministry of Commerce & Industry for compliance. Being CPSE appointment of all directors are controlled by Ministry.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

- b. The Board of Directors of Company on 31-03-2021 in Board Meeting (320th) has passed a resolution to prepare accounts on Non Going concern basis for the FY 2021-22. Consequent upon such decision accounts since FY 2021-22 are prepared on Non-going concern basis.

2 Subsequent Cost

As Expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset, all essential capital expenditure (e.g. Furniture, Computer, etc.) should has been booked in the Statement of Profit and Loss.

3 Revenue Recognition

Interest received from bank on deposits and other miscellaneous income receipts to be recognized as 'Other Income'.

4 Purchases and Sales

Purchases

As the Company has no revenue operation, Purchases have been accounted for as Miscellaneous Expenditure Account.

Sales

As the Company has no sales, receipt against sales of sundry materials have been accounted for as Miscellaneous Receipt Account.

In case of dealings on behalf of the Government (including consignments under Government's Gifts/Grant Scheme), Purchases and Sales and incidental expenses or income thereof are accounted for under respective heads of accounts. Surplus or deficit to Government account, after adjusting service margin accrued to the Company is adjusted in trade income or cost of sales respectively.

5 Expenses

Trade Expenses include expenses incurred by Associates on behalf of the Company and/or by the Company as per Agreement with the respective Associates are accounted for on the basis of statements furnished by them/recovered from them.

Interest payable if any, on advances and progressive payments received from Associates & Suppliers are accounted for on accrual basis.

Interest payable to Bank are accounted for on Accrual Basis.

6 Other Operating Revenue

As the core activities of the company has ceased, the income relating to the sales / services for e.g. dispatch earned, subsidy, claims against losses on trade transactions, interest on credit sales and trade related advances (other than on overdue) etc., which are derived based on the terms of related trade agreements with business associates or schemes on related trade, are accounted for under 'Other Non- Operating Revenue'.

7 Claims

Claims are recognized in the Statement of Profit & Loss on accrual basis including receivables from Govt. towards subsidy, cash incentives, reimbursement of losses etc, when it is not unreasonable to expect ultimate collection. Claims recognized but subsequently becoming doubtful are provided for through Statement of Profit and Loss. Insurance claims are accounted upon on cash basis from the insurance company.

8 Service Income

When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction shall be recognized by reference to the completion of the transaction at the end of the reporting period. The outcome of a transaction has not been estimated even though all the related conditions are satisfied.

9 Interest income

Interest income is on a time proportion basis taking into account the amount outstanding and the effective interest rate.

10 Revenue Recognition on Actual Realization

Revenue is recognized on accrual basis except in the following items which are accounted for on actual realization since realisability of such items is uncertain, in accordance with the provisions of Ind AS-115 as under:

a. liquidated damages from suppliers /Contractors, Tax credit, refund of custom duty on account of survey shortage, and refund of income-tax/ service tax / sales tax /VAT and interest thereon etc.

Interest on overdue recoverable, if any, where realisability is uncertain.

- b. Liquidated damages on suppliers/ underwriters.
- c. Miscellaneous income on account of damages or compensation recovered from the suppliers/buyers.
- d. Realisable Value on account of sale of residuals.
- e. Decreed/Contested dues by associates and interest thereon, if any

11 Property, Plant and Equipments

All Property, Plant and Equipment (PPE) are stated at residual/realizable value as the Non - Going Concern assumption.

The initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the company incurs either when the PPE is acquired or as a consequence of having used the PPE during a particular period for purposes other than to produce inventories during that period. The company has chosen the cost model of recognition and this model is applied to an entire class of PPE.

12 Non-Current Assets Held for Sale

The company classifies a non-current asset(or disposal subsidiary Company) as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. The non-current asset (or disposal subsidiary Company) classified as held for sale is measured at the lower of its carrying amount and the fair value less costs to sell.

13 Depreciation

Till FY 2020-21, depreciation was provided on straight line method as per the useful lives on the basis of technical evaluation with regard to the total working life and salvage value. Depreciation on all such items have been provided from the date they are 'Available for Use' till the date of sale / disposal and includes amortization of intangible assets and lease hold assets.

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Certain items like calculators,

wall clock, kitchen utensils etc. whose useful life is very limited are directly charged to revenue in the year of purchase. Salvage value of assets are taken as under:-

Assets Descriptions	Salvage value (Rs.)
Mobile	20
Air Conditioners	500
Computer	500
Furniture	50
Electrical Appliances	50
Any other less than Rs.5000/ -	1

On the basis of technical evaluation with regard to the total working life and salvage value, fixed assets are being depreciated on straight Line Method at the following useful lives as mentioned below:-

Assets Descriptions	In years
Land and Building	20
Furniture and Fixings	5
Office Equipments	3
Air Conditioners	5
Data Processing Equipments-Computers and Severs etc	3
Vehicles	5
Audio Visual Equipment	3

Asset costing Rs.5,000 or below is depreciation @100% in the year of purchase leaving token value of 1/- each without considering the working life of the asset ,so as to ascertain the existence of the assets in the financial records.

Amortization of Intangible Assets Software 3 years or License period whichever is earlier as applicable

- a. However for the year, all items of PPE is valued at its disposal/salvage value and no depreciation is being provided.
- b. Difference between the book value of PPE and disposal/salvage value is being charged to Profit & Loss Account.

Annual Report | 2023-24| PEC Ltd.

14 Borrowing Cost

The Company capitalises borrowing costs that are directly attributable to the acquisition, construction or production of qualifying asset as a part of the cost of the asset. The Company recognises other borrowing costs as an expense in the period in which it incurs them. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

Foreign currency translation

Transactions in currencies other than the functional currency are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are re-translated at the rates prevailing at the date when the fair value was determined. Non- monetary items that are measured in terms of historical cost in a foreign currency are retranslated. Foreign currency monetary items (except overdue recoverable where reliasibility is uncertain) are converted using the closing rate as defined in the Ind AS-21.

Non-monetary items are reported using the exchange rate at the date of the transaction. The exchange difference gain/loss as on the date of year end is recognized in the Statement of Profit and Loss. Liability in foreign currency relating to acquisition of fixed assets is converted using the closing rate. The difference in exchange is recognized in the Statement of Profit and Loss.

15 Inventory:-

Inventories are stated at the lower of cost or net realisable value. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale. The method of determination of cost and valuation is as under:

- i. Stocks held by the Company are physically verified/certified by Surveyors and by the management.
- ii. Stock in Trade held on Non-Government Account is valued at Lower of Cost or Net Realizable Value. Cost includes cost of procurement and all direct and indirect costs incurred to bring the stocks to the condition as at the time of valuation. Cost is determined as per specific identification method in respect of items handled on back to back arrangement with business associates.

Stock in Trade held on Government Account under PDS or otherwise is valued at realizable value.

16 Provisions

Provisions are recognized when the company has a present and future obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation.

17 Contingent Liabilities / Assets

Contingent liabilities :-

Contingent liabilities are not recognized but disclosed in Notes to the Accounts when the company has possible obligation due to past events and existence of the obligation depending upon occurrence or non-occurrence of future events not wholly within the control of the company.

Contingent liabilities are assessed continuously to determine whether outflow of economic resources have become probable. If the outflow becomes probable then relative provision is recognized in the financial statements. Where an entity is jointly and severally liable for an obligation, the part of the obligation that is expected to be met by other parties is treated as a contingent liability. The entity recognizes a provision for the part of the obligation for which an outflow of resources embodying economic benefits is probable, except in the extremely rare circumstances where no reliable estimate can be made Contingent Liabilities are disclosed in the General Notes forming part of the accounts.

Contingent Assets:-

Contingent Assets are not recognized in the financial statements. Such contingent assets are assessed continuously and are disclosed in Notes when the inflow of economic benefits becomes probable. If it's virtually certain that inflow of economic benefits will arise then such assets and the relative income will be recognized in the financial statements.

18 Employee benefits

- i. Short term employee benefits are recognized as an expense at their undiscounted amount in the accounting period in which the employee has rendered services.
- ii. Provision for gratuity, Leave encashment/availment, employee`s family benefit scheme is made on the basis of actuarial valuation using the projected unit credit method.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets for Gratuity (excluding interest), is reflected immediately in the statement of financial position with a charge

or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit or Loss.

- (I) Liability towards post-retirement medical benefits is provided based on actuarial valuation and has been provided in respect of present and retired employees.
- (ii) Employees benefit under defined contribution plan comprising provident fund has been recognized based on undiscounted obligation of the company to contribute to the plan. The same is paid to a fund administered through a separate trust based on disbursement of salary.
- (iii) Payment of Ex-gratia and Notice pay on Voluntary Retirement Scheme/ Voluntary Separation Scheme / Retrenchment compensation are charged to revenue in the year incurred.
- (iv) Superannuation plan, a defined contribution scheme is administered by Life Insurance Corporation of India (LIC). The Company makes contributions based on a specified percentage of each eligible employee's salary. Short-term employee benefit obligations are measured on an undiscounted basis and are recorded as expense as the related service is provided. A liability is recognized for the amount expected to be paid under PLI / PRP Scheme, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

19 Taxation Income tax expense represents the sum of the tax currently payable and deferred tax

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss and other comprehensive income/statement of profit or loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognized to the extent that it is probable that there will be sufficient taxable profits against which to utilize the benefits of the temporary differences and they are expected to reverse in the foreseeable future. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Current and deferred tax for the year Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

20 Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. All of the Company's property interests held under operating leases to earn rentals or for capital appreciation purposes are accounted for as investment properties. After initial recognition, the company measures investment property at cost.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognized. Investment properties to be depreciated in accordance to the class of asset that it belongs and the life of the asset shall be as conceived for the same class of asset at the Company.

21 Impairment of Non-Financial Assets

લાક્રિસ

The Company reviews the carrying amount of its assets on each Balance Sheet date for the purpose of ascertaining impairment indicators if any, by considering assets of entire one Plant as Cash Generating Unit (CGU). If any such indication exists, the assets' recoverable amount is estimated, as higher of the Net Selling Price and the Value in Use. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash- generating unit) in prior years. A reversal of an impairment loss is recognized immediately in the Statement of Profit and Loss.

22 Financial instruments

Financial assets are derecognized when substantial risks and rewards of ownership of the financial asset have been transferred. In cases where substantial risks and rewards of ownership of the financial assets are neither transferred nor retained, financial assets are derecognized only when the Company has not retained control over the financial asset. Subsequent to initial recognition, non -derivative financial instruments are measured as described below:

Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents include cash in hand, at banks and demand deposits with banks. In the statement of financial position, bank overdrafts are presented under borrowings within current liabilities.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are initially recognized at fair value plus directly attributable transaction costs and subsequently measured at amortized cost using the effective interest method, less any impairment losses. Loans and receivables comprise trade receivables, unbilled revenues and other assets.

The company estimates the un-collectability of accounts receivable by analysing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

Trade and other payables

Trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method. For these financial instruments, the carrying amounts approximate fair value due to the short term maturity of these instruments.

23 Foreign currency Fluctuations

Derivatives are recognized and measured at fair value. Attributable transaction costs are recognized in statement of income as cost. Subsequent to initial recognition, derivative financial instruments are measured as described below:

Cash flow hedges Changes in the fair value of the derivative hedging instrument designated as a cash flow hedge are recognized in other comprehensive income and held in cash flow hedging reserve, net of taxes, a component of equity, to the extent that the hedge is effective. To the extent that the hedge is ineffective, changes in fair value are recognized in the statement of income and reported within foreign exchange gains/ (losses), net within results from operating activities.

If the hedging instrument no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the statement of income upon the occurrence of the related forecasted transaction. If the forecasted transaction is no longer expected to occur, such cumulative balance is immediately recognized in the statement of income.

Changes in fair value and gains/ (losses) on settlement of foreign currency derivative instruments relating to borrowings, which have not been designated as hedges are recorded in finance expense.

24 **Prior Period Errors**

Errors of material amount relating to prior period(s) are disclosed by a note with nature of prior period errors, amount of correction of each such prior period presented retrospectively, to the extent practicable along with change in basic and diluted earnings per share. However, where retrospective restatement is not practicable for a particular period then the circumstances that lead to the existence of that condition and the description of how and from where the error is corrected are disclosed in Notes to Accounts.

Taking into account the nature of activities of the company, prior period errors are considered material if the items of income / expenditure collectively (net) exceed 0.5% of sales turnover of the company.

Significant Judgments, Assumptions and Estimations in applying Accounting Policies

Classification of Leases

41S4

The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Recognition of Deferred Tax Assets

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

Inventories

The Company estimates the cost of inventories taking into account the most realizable evidence, Management also estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by market-driven changes that may reduce future selling prices.

Defined Benefit Obligation (DBO)

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

Provisions and Contingencies

The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss Useful lives of depreciable/ amortisable assets (tangible and intangible).

Management reviews its estimate of the useful lives of depreciable/ amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

25 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

<u>Compound financial instruments</u> The component parts of compound financial instruments (convertible notes) issued by the Company are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortised cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date..

26 Revenue Recognition

IND AS 115 addresses the recognition of revenue from customer contracts and impacts on the amounts and timing of the recognition of such revenue.

As the company is on a Non-Going status, no policy is required on this account.

40 Employee Benefits:

As per Indian Accounting Standard – 19 "Employee benefits", the disclosures as defined in the Indian Accounting Standard are given below:

Defined Contribution Plans

Contribution to Defined Contribution Plans, recognized as expense for the year is as under:

(Rs in Lacs)

Particulars	Year ended 2023-24	Year ended 2022-23
Employer's Contribution to Provident and Pension Fund	43.30	40.38
Employer's Contribution to PEC Defined Contribution Superannuation Fund	30.03	26.03

The Company's Provident Fund is exempted under section 17 of Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The obligation of the company is to make fixed contribution and to ensure a minimum rate of return to the members as specified by the Government. Overall Interest earning and cumulative surplus will be less then the statutory interest payment requirement however the same cannot be quantified at this stage pending finalization and audit of accounts of PF Trust.

Defined Benefit Plan

A. Gratuity

The employees' gratuity fund scheme is as per Gratuity Act managed by the Trust under a defined benefit plan. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The liability for gratuity is recognized in the books as per actuarial valuation.

B. Post-Retirement Medical Facility (PRMF)

The company has Post-retirement Medical Facility (PRMF) under which retired employee and their spouses are provided medical facilities in the empanelled hospitals. They can also avail treatment as Out-Patient subject to a ceiling fixed by the company. Postretirement medical benefits are recognized in the books as per actuarial valuation.

C. Leave

The Company provides Earned leave (EL) and Half Pay Leave (HPL) benefit to the employees of the Company which accrue annually at 30 days and 20 days respectively. The maximum ceiling for encashment of leave at the time of superannuation/cessation from service other than on disciplinary ground shall be limited to 300 days (EL & HPL combined). EL is en-cashable while in service leaving a minimum balance of 15 days twice a year. The scheme is unfunded and liability for the same is recognized on the basis of Actuarial Valuation.

D. Pension

The Company has defined contribution pension plan for its existing employees in pursuance to the guidelines issued by the Department of Public Enterprises. In this regard PEC Employees Defined Contribution Superannuation Pension Trust has been formed. Under the scheme the employer's contribution is 9% of basic plus VDA of eligible employees and the funds of the trust are managed by LIC. An employee has to be member of trust for a minimum period of 15 years to avail the benefit of this scheme. In case the employee leaves the company before completion of 15 years only employee contribution along with interest is payable to him. However, this condition does not apply to the employees who join the other CPSE having the same Pension Scheme.

The company's activities expose it to the following financial risks:

- -market risk
- -credit risk and

-liquidity risk.

The company has not arranged funds that have any interest rate risk.

a) Market Risk

(i) Foreign Exchange Risk

The company has import and export transactions and hence has foreign exchange risk primarily with respect to the US\$. The company has not arranged funds through long term borrowings. The short term foreign currency loans (buyer's credit) availed from banks are fixed interest rate borrowings. As a result, the company does not have any interest rate risk. The company uses foreign exchange forward contracts to hedge its exposure in foreign currency risk. The company has no exposure in respect of foreign currency receivable/payable since loss/gain is to the account of the Associate supplier/customer except on provision towards litigation settlement where matter is still under dispute. Also the company has taken forward exchange contracts in respect of payables at the risk and cost of the associate.

The following tables show the summary of quantitative data about the company's exposure to foreign currency risk from financial instruments expressed in `:

a) Price Risk

The company's exposure to equity securities price risk is Nil. Hence, it has no impact on profit or loss.

b) Credit Risk

70

Credit risk refers to the risk of default on its obligation by a counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is

primarily from trade receivables. Accordingly, credit risk from trade receivables has been separately evaluated from all other financial assets in the following paragraphs.

Trade Receivables

The company's has outstanding trade receivables are mostly secured through matching creditors of Rs 3882.74 Lacs. (P/Y Rs 4018.66 Lacs).

Impairment on trade receivables is recognized based on expected credit loss in accordance with provisions of IndAS 109. The company's historical experience for customers, present economic condition and present performance of the customers, future outlook for the industry etc are taken into account for the purposes of expected credit loss.

Credit Risk Exposure

An analysis of age of trade receivables at each reporting date is summarized as follows:

Trade receivables are impaired when recoverability is considered doubtful based on the recovery analysis performed by the company for individual trade receivables.

Other financial assets

Credit risk relating to cash and cash equivalents is considered negligible because our counterparties are banks. We considers the credit quality of term deposits with scheduled banks which are subject to the regulatory oversight of the Reserve Bank of India to be good, and we review these banking relationships on an ongoing basis. Credit risk related to employee loans are considered negligible since major loans like house building loans, vehicle loans are secured against the property for which loan is granted to the employees. The other employee loans are covered under personal guarantee of concerned employees along with surety bonds of other serving employees. There are no impairment provisions as a teach reporting date against these financial assets. We consider all the above financial assets as at the reporting dates to be of good credit quality.

C) Liquidity Risk

Our liquidity needs are monitored on the basis of monthly and yearly projections. The company's principal sources of liquidity are cash and cash equivalents, cash generated from operations.

Short term liquidity requirements consists mainly of sundry creditors, expense payable, employee dues arising during the normal course of business as of each reporting date. The company maintains sufficient balance in cash and cash equivalents to meet short term liquidity requirements.

The company assesses long term liquidity requirements on a periodical basis and manages them through internal accruals.

The table below provides details regarding the contractual maturities of nonderivative financial liabilities. The table has been drawn up based on the undisclosed cash flow so financial liabilities based on the earliest date on which the company can be required to pay. The table includes both principal & interest cash flows.

INDEPENDENT AUDITOR'S REPORT

To the Members of 'PEC Limited'

Report on the Audit of the Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of 'PEC Limited' (the "Company"), which comprise the Standalone Balance Sheet as at 31st March, 2024, the Standalone Statement of Profit and Loss(including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the Standalone Ind AS Financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2023, as amended ("the Act") in the manner so required and a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its deficit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

1. Assets Held for Sale

76

We draw attention to Note No 1(ii)(b) where the Board of Directors of the Company has passed a resolution to prepare accounts on a non-going concern basis since FY 2021-22. Accordingly changes have been made subsequently there after in the significant accounting policies of the Company and the presentation of financial statements.

As per Note No. 1(11) in the Notes to Accounts it is further stated that the Property, Plant and Equipment (PPE) are stated at residual/realizable value on the basis of the assumption of Non-Going Concern and the PPE has been transferred to "Assets Held for Sale".

Ind As 105 "Non -Current Assets held for Sale and Discontinued Operations" requires that asset meet the criteria to be held for sale should be measured at lower of carrying amount and fair value less costs to sell and to be separately presented in the Balance Sheet and also result of discontinued operations to be presented separately in the Statement of Profit and Loss.

We have observed that the Company has not conducted exercise to ascertain the fair value of all the assets as at 31 March 2024 composed under the head "Assets Held for Sale" except movable assets having an assessable value of Rs 4.00 lakh (book value of Rs 1.00 lakh). The company has relied on valuation reports dated 08.07.2021 for valuation of immovable assets having assessable value of Rs 2000.00 lakh (book value of Rs 1.00 lakh). Hence, there is non-compliance with the conditions of Ind As 105.

- 2. We draw attention to Note No 15 to the Notes to Accounts where the GST credit receivable as per books of account is Rs 55.86 lakh(Previous Year Rs. 49.34 lakh). There is no reconciliation between the GST Credit receivable in the books of accounts and the balance in the GST portal's credit ledger. However the company has reversed previously claimed ITC during the FY 2022-23 which is yet to be reconciled and recorded in books of accounts.
- 3. We draw attention to Note No 20A and Note 35 to the Standalone Ind As financial statements where the Company has outstanding Trade Payable amounting to Rs. 7274.28 lakh, out of which an amount of Rs. 3882.74 lakh matches with equivalent amount of Sundry Debtors which the company shall pay on realization from the same The same amount has been outstanding for more than 3 years. no provision for Bad & Doubtful Debts have been created for the amount of Rs 3882.74 lakh.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone Ind AS Financial Statements.

Emphasis of Matter

I. We draw attention to Note No 33 to the Standalone Ind As financial statements, during the current period, the Company has identified prior period error in respect of financial liability not accounted for in case of a) Interest not charged by Bank of Baroda (earlier Vijaya Bank) and b) Statutory Audit fees, hence appropriate corrections have been made in the current financial year as per Ind As 8 'Accounting Policies, Changes in Accounting Estimates and Errors' and Ind AS 1 ' Presentation of Financial Statements' Accordingly corresponding previous year figures have been restated and the same have been reviewed by us.

- II. The Company should expedite the process of downsizing in order to rationalize the manpower considering the fact that company has discontinued business operations since Sept 2019 and has been mainly focusing on recovery of outstanding dues through legal proceedings. This will help company significantly to cut cost in long run.
- III. One-Time Settlement (OTS) proposals with Banks- As per the information and explanation given to us, the Banks have requested PEC to submit a revised concrete proposal as the existing proposal is not in tune with the outstanding amount due. The Canara Bank has moved an application for recovery of the outstanding amount of Rs. 2,11,926.92 lakh (amount as per summon received by the Company) in the Debts Recovery Tribunal to which Bank of Baroda & Punjab National Bank are additional applicants. The case was admitted before DRT on 09-05-2022. The Company is pursuing the matter. The next date of hearing is 09-10-2024.
- IV. The Company is pursuing the recovery of the outstanding amount of Rs 1,54,932.22 lakh (at the beginning of the year) from the defaulting associates for whom Provision for Bad & Doubtful Debts have been created in earlier years. During the year under audit only Rs 10.00 lakh has been realized, which seems very less. We draw attention to Note No 30 to the Standalone Ind AS financial statements, the company has booked the legal expenses amounting to Rs. 31.55 lakh during the year.
- V. We draw attention to Note No 29 to the Standalone Ind AS financial statements, the company has booked "Finance Cost" of Rs 33,330.01 lakh. All the Banks except Bank of Baroda (Earlier Vijaya Bank) have duly charged interest despite the accounts declared NPA. Accordingly an amount of Rs. 16055.12 lakh (previous year Rs. 13137.65 lakh has been reflected in the schedule of other Current Liability towards interest due on loan Amount not charged by Bank of Baroda (earlier Vijaya Bank) (Note No.23).
- VI. We draw attention to Note No. 34 to the Standalone Ind AS financial statements in respect of balances under Sundry Payable/ Sundry Receivable/ Claims receivable/ Loans & Advances/ other liabilities, which have not been confirmed and any adjustments due to consequent reconciliation, if any, required is not ascertainable.
- VII. We draw attention to Note No 36 to the Standalone Ind AS financial statements, where the Company has not obtained confirmation from its Associates and Suppliers required under Section 22 of 'The Micro, Small and Medium Enterprises Development Act, 2006'.

As informed to us Company has discontinued business operation since 2019-20 and there is no proper system in place regarding the details of goods/ services received from Medium, Small and Micro Enterprises (MSME) whose return is to be filed as per the notification dated 22nd January 2019 as per "Specified Companies (Furnishing of Information about payment to Micro and Small enterprise Suppliers) Order 2019. Due to the non-maintenance of the above required information, the Company is not filing the returns required by ROC in MSME-1. Further, due to this, there may be default in

making payment to the MSME suppliers along with applicable rate of interest if payment is not made within 45 days for which no provision has been created in the books of account. We are unable to comment upon the amount of provision to be made as it is not ascertainable due to non-maintenance of records.

- VIII. We draw attention to Note No 46 to the Standalone Ind AS financial statements in respect of provision made for employee benefits in respect of post-retirement medical benefits (PRMB) and earned/half pay leaves. The present value of obligation as per actuarial valuation report in respect of the aforesaid employee benefits as at 31st March 2024 is Rs. 1964.00 lakh (previous year 1928.00 lakh). The company has neither earmarked any investment nor has created any corpus for this purpose.
- IX. We draw attention to Note No 49 to the Standalone Ind AS financial statements in respect of non-provision of liability, if any, arises in case of non-extension of time/waiver/write off of GR-1 forms. The Company is pursuing the matter with the authorities.
- X. We draw attention to Note No 59 to the Standalone Ind AS financial statements in respect of unadjusted GST input of Rs. 54.00 lakh lying in books of account for FY 23-24 as company has not provided any output service during the year.

Key Audit Matters

Except for the matter described in the Basis for Qualified Opinion section, we have determined that there are no other key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statement and Auditors' Report Thereon

The Company's Board of Directors are responsible for the preparation of other information. The other information includes the Director's Report, Corporate Governance Report, Business Responsibility Report and Management Discussion and Analysis of Annual Report but does not include the Standalone Financial Statements and our report thereon. The Director's Report, Corporate Governance Report, Business Responsibility Report and Management Discussion and Analysis of Annual Report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available to us and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during our audit, or otherwise appears to be materially misstated.

When we read such other information as and when made available to us and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, the Company has ceased operations since September, 2019 therefore the Management has prepared these financial statements on a non-going concern basis as per decision of the Board of Directors in the meeting which was held on 31.03.2021.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

However, the financial statements of the Company have been prepared on a non-going concern basis as decided by the Board of Directors.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore reported in Basis of Qualified Opinion para and Emphasis on matter para. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

લાક્રિસ

b. According to the information and explanation given to us, and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year. Accordingly, the reporting under Clause 3(x)(b) of the Order is not applicable to the Company.

xi. Frauds and Whistle -Blower Complaints

- a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.
- c. No whistleblower complaints have been noticed to be received by the Company during the year.

xii. Nidhi Companies

The Company is not a Nidhi Company during the year under review and hence, the criteria as stipulated under Nidhi Rules 2014 are not applicable to the Company. The reporting under Clause 3(xii) of the Order is not applicable to the Company.

xiii. Related Party Transactions

As per the information and explanations given during the course of our verification, there was no transaction with the related parties pursuant to Section 177 and 188 of the Companies Act except as reported by the Company in Note No. 37.

xiv. Internal Audit System

- a) In our opinion and according to the information and explanation given to us, the company is not conducting any business and has appointed an external CA Firm for conducting Internal Audit during the year.
- b) We have read the Internal Audit Report and considered the observations of the Internal Auditor in the Independent Auditor's Report.

xv. Non-Cash Transactions with Directors

As per the information and explanations provided to us, during the year, the Company has not entered into any non-cash transactions with directors or persons connected with the directors within the purview of section 192 of the Act and hence the clause 3(xv) of the Order is not applicable to the Company.

xvi. Provision of 45-IA of the Reserve Bank of India Act, 1934

xviii. Resignation of Statutory Auditors

The Statutory Auditors of the Company are appointed by C&AG of India every year. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. Material Uncertainty on Meeting Liabilities

On the basis of the financial ratios, ageing, and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumption, we have observed that since the Company has ceased its business operations and prepared financial statements on anon-going concern basis, material uncertainty exists as on the date of the audit report. There are a number of legal cases regarding trade receivables and the borrowings from bank amounting to Rs. 2,46,261.07 lakh as on 31.03.2024 (figure as per note 20) which had become NPA since long indicates

that the Company is not capable of meeting its existing liabilities at the date of balance sheet as and when they fall due within a period of one year from date of Balance Sheet.

xx. Transfer to Fund Specified under Schedule VII of the Companies Act, 2013

Since the Company has huge accumulated losses and is not a going concern, it is not required to spend any amount of CSR and the question of any amount being transferred to Corporate Social Responsibility (CSR) Fund does not arise. Therefore reporting under the clause 3(xx) of the order is not applicable to the Company

xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report

ANNEXURE - 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Point no. 7 of paragraph 1 under `Report on other legal and regulatory requirements' section of the Independent Auditor's Report of even date on the Standalone Ind AS Financial statements of PEC Limited for the year ended 31st March, 2024)

Report on the Internal Financial Controls over financial reporting under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **'PEC Limited'** ("the Company") as at 31st March, 2024 in conjunction with our audit of the Standalone Ind AS Financial Statements of the company for the year ended on that date.

Responsibilities of management and those charged with governance for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditor's responsibility for the audit of the Internal Financial Controls with reference to financial statements

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Standalone Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Standalone Ind AS Financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting with reference to these Standalone Ind AS Financial statements.

Meaning of Internal Financial Controls over Financial Reporting with Reference to these Standalone Ind AS Financial Statements

A company's internal financial control over financial reporting with reference to these Standalone Ind AS Financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Standalone Ind AS Financial statements includes those policies and procedures that:

- 1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial statements.

Inherent limitations of Internal Financial Controls over Financial Reporting with reference to these Standalone Ind AS Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Standalone Ind AS Financial statements, including the possibility of

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Material weakness

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as on March 31, 2024:

- 1. No Proper filing system;
- 2. Non-obtaining confirmation of balances of Trade payable and reconciliation thereof;
- 3. No documented policy
 - A. For filing of legal cases against debtors, associates for recovery of dues and advances;
 - B. For writing off of debts/advances/claims;
- 4. Non maintenance of information under Section-22 of The Micro, Small and Medium Enterprises Development Act, 2006, which attract penal provisions;
- 5. Non maintenance of Register in form MBP-4 with regards to Directors;
- 6. Pending reconciliation of GST input with the books of accounts.
- 7. Non-compliance of provisions of Companies Act with regards to the Board Meeting and the appointment of independent directors.
- 8. Pending reconciliation of Income tax provision;
- The Company is not maintaining Audit Trail that has become mandatory w.e.f. 1st April. 2023
- 10. There is a huge unreconciled difference between TDS demands raised by Income tax department and balance in TDS Payable Ledger in Company books of accounts.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

According to the information and explanations given to us and based on our audit, material weakness described above on the achievement of the objectives of the control criteria, the

Company has maintained, in all material respects, adequate Company's Internal Financial Controls over financial reporting with reference to these Standalone Ind AS Financial statements were operating effectively as of March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. The financial impact consequent to such material weakness could not be ascertained.

Explanatory Paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the Standalone Ind AS Financial Statements of PEC Limited, which comprise the Balance Sheet as at March 31, 2024, and the related Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant counting policies and other explanatory information, and our report dated 10th September 2024, expressed a qualified opinion.

Management Replies to Statutory Auditors Report for FY 2023-24

Г

S.No.	Management Replies
1.	The assets held by the company are broadly classified into two main categories i.e. Immovable the valuation report dated 31/03/2023 wherein assessable value was arrived at Rs. 4.00 Lakh however the same is shown in books at carrying value i.e. Rs. 1.00 Lacs. Considering the above fact that we have shown assets at carrying cost which is substantially lower than NRV. Accordingly we have complied with the requirement of IND AS 105 wherein assets held for sale are to be show at lower of carrying amount or fair value less cost to sell.
	Since the observation is w.r.t. immovable assets which consist of land and building company has relied on the valuation report dated 08/07/2021 wherein assessable value was arrived at Rs.2000 Lacs however the same is shown in books at carrying value i.e. Rs. 1.00 Lacs. Considering the above Fact that we have shown assets at carrying cost which is substantially lower than NRV. Accordingly we have complied with the requirement of IND AS 105 wherein assets held for sale are to be show at lower of carrying amount of fair value less cost to sell.
2.	The company has discontinued business operations resulting in Nil turnover of the company for the FY 2023-24
	Reconciliation of ITC at GST portal and Books of Accounts will be done in current year.
3.	The matching debtors amounting to Rs. 3882.74 Lacs are covered on back to back basis as per agreement with respect to associates
	With the specific clause having broad wording as below:
	"Payment to supplies shall be made by PEC after receipt of payment from buyer after deducting PEC trading margin, Taxes and any other expense incurred by PEC on behalf of supplier."
	Moreover, as pointed out that an amount of Rs. 3882.74 Lacs outstanding for more than 3 years, the company has not received any claims and no risk envisaged as they are covered under back to back arrangement.

XI Material Weakness

The ministry of Commerce & industry is contemplating for closure of the PEC and as per directions PEC has stopped new business from sept 2019, PEC is under process to reduce manpower and expenditure. As on 31st March 2024 PEC has 35 regular employees and out of which 09 on deputation with other organizations.

In view of the above best efforts are being made by utilizing available resources. However suggestions of the auditor are appreciated and considered.

- 1. The company has discontinued its business from sept 2019 as directed by MOC however the same has been noted for future compliance
- 2. This point is continuing from last many years and the company is replying as under:-

The accounts with the associates are settled on completion of each transaction and differences if any are reconciled before final settlement. Provision for consequential adjustment of losses is not envisaged. However PEC has stopped business since September 2019.

- 3. The same is done based on the fact and merit of the case to safeguard interest of PEC.
- 4. The company has given appropriate disclosure at Note No. 36 of Notes of account.
- 5. There is no related transaction as prescribed in section 184(2) or 188 entered during the year so in compliance with section 189, no entry has been made in the register of contract with related parties.
- 6. The same may be reviewed in FY 2024-25.S
- 7. The independent director is appointed by MOC and no nomination has been received during the FY 2023-24.
- 8. Some of Income Tax cases are pending at IT Appeal hence provision is carried forward. The same shall be reconciled & necessary adjustments will be made on disposal of the case.
- 9. The company has given appropriate disclosure at Note. 60 of Notes to Accounts.
- 10. The differences are due to non-mapping of corresponding TDS challans in TDS returns as there is no pending TDS liability in books of Accounts. Accordingly the efforts for pending reconciliation shall be made during the current financial year.
